von LINDESFARNE Quality German Shepherds - We strive to breed the very best quality working dogs. All of our breeding stock have working titles and breed surveys and are from only the best German bloodlines. Consideration is given to temperament, genetics, structure, and working ability in order to make the perfect match. Whether you are looking for a well bred puppy or trained adult dog, or maybe just trying to find that perfect pet ~ we would like to help educate you about your options, and we will work hard to meet your special need. Producing the best dogs begins with our fundamental philosophy: Quality is not expensive, it's priceless! Lindsfarne puppies are produced only from dogs with a working title and breed suitability test. Our pedigrees will demonstrate five generations of dogs with hip/elbow certifications, working titles, breed suitability tests, plus several ancestors that have participated in championship events around the world! These dogs produce puppies with excellent temperament. Every puppy from Lindsfarne Kennel will be vet checked, wormed, have its first vaccinations, and microchipped. You will also receive a free training course for you and your puppy taught by Michele. Boarding: Your pet will stay in a climate controlled facility. While resting indoors your pet will listen to classical music, we provide soft comfortable bedding and a variety of treats, structured playtime, or training throughout the day! The kennel runs are 6' x 12' constructed of heavy duty 2"x 9" gauge galvanized wire and are cleaned twice daily. Fresh water is always available. Each pet is taken outdoors to a private fenced grass exercise yard. We do not charge extra to administer medication or to feed special diets. We offer quality pet care, and furnish a clean, enjoyable atmosphere at a reasonable rate. All content of this listing belongs to the Owner in this Listing! Copyright © All Rights Reserved.
