We try very hard each and everyday to update our website so that you can follow our progress with our shepherds! We enjoy sharing this information, because we feel that it helps you better understand US and our DOGS!! They are not just dogs, they are FAMILY MEMBERS and each and everyone of them has a unique personality and things that we love to share, they ARE OUR PRIDE & JOY.....I receive emails that ask about pricing and selection of puppies, about our boys, girls and things that we are known forPuppies are whelped both in our home and outside in our kennel. Although the kennel is almost 7 years old, we continue to make lots of improvements and changes, so we do have two pages about OUR KENNEL & KENNEL UPDATES that you can visit also. Those two pages will show you pictures and give you information about the kennel.All content of this listing belongs to the Owner in this Listing! Copyright © All Rights Reserved.
