Our German Shepherd puppies have excellent temperament, are well rounded, and can be elite family companions, competition dogs, working dogs, search and rescue dogs, personal protection dogs, and of course bred for top show competition.

We are German Shepherd dog breeders who love the breed and are dedicated in maintaining the breed standard. German Shepherds are the watchdogs of all dog breeds. They are known for their keen sense of loyalty and devotion to their human counterparts. The temperament of the German Shepherd is a key to this dog breed's versatility. German Shepherds are used in many areas such as herding, therapy service and police and rescue work. They are also bred for the confirmation show ring and working trials. They make excellent family companions. We breed for outstanding temperament, structure and working ability. Our dogs and puppies are backed by our many years of breeding and knowledge of bloodlines thus we are confident that your new dog will be at your side for many years. We have large boned, deep red and black pups as well as the traditional large boned, black and tan German Shepherd pups. All our dogs are AKC registered. We are dog breeders committed to the excellence of the German Shepherd. All content of this listing belongs to the Owner in this Listing! Copyright © All Rights Reserved.
