Zwinger von Wolfstal We are a family based kennel located 20 minutes from Fort Wayne, Indiana. We started our breeding program in 1998 shortly after my husband retired as a K9 instructor for the German Polizei. We take great pride in the puppies we have produced and what our breeding program has developed into. We enjoy spending our time with our dogs whether it is playing, training or showing. Our goal is breeding for Integrity not Compromise! Our puppies are raised in our home, they receive their first shots at the age of 5 1/2 to 6 weeks and are on a regular worming program. They have regular vet visits until they are placed with their new families. We welcome visitors to come see and interact with our dogs, we have most of the parents of the puppies at home. Unless the mother has been bred prior to coming to us from Germany. Our dogs which are imported are carefully selected by our friends and breeder so as to be able to maintain only the highest quality dogs with World Champion bloodlines from World Sieger and Siegerin Champions.
