We have been boarding German Shepherds, training and breeding for almost 20 years.

Sajjadi Farms Our Dog Boarding Facility is nestled in a serene acreage at Bonney Lake, WA. Our Dog Kennels provide the perfect environment for your faithful companion(s) to have a home away from home while boarding! We also provide quality breeding with select stock to achieve quality in your future pup! Our Dogs have done some amazing things with their owners and we welcome you to stop by and check out what Sajjadi Farms has to offer. We are here for you with any questions you might have about picking out your next faithful companion, questions in general , and of course our Dog Boarding facility with shuttle service available.
