For dogs and puppies 12 weeks and older

Click the Image Directly ^{^^^Above^^^} for More Information, Current Pricing and Availability. You will not be charged until after you review and complete your order. Fast itch relief For dogs and puppies 12 weeks and older Will not affect topical flea control Soothes itchy raw skin 16 fluid ounces Soothes itchy, raw skin Product Description Size: 16 Dogs have more delicate skin than we do, which means repeated visits to the vet. Dry, flaky, itchy, raw skin conditions often go more than skin deep. Our natural skin formulas have a long track record of helping avoid that vicious cycle. Vet's Best Hot Spot Spray is the ouch-less answer to skin miseries. This alcohol-free, no-sting spray quickly calms and relieves painful hot spots. It soothes itchy, raw, irritated skin all without affecting topical flea control. For best results, use with Hot Spot Foam and Shampoo.
