Grand Rapids Dog Training - MondouCu

<https://www.facebook.com/GrandRapidsDogTraining/>

We offer dog training from the pack leaders, from puppy to behavior modification.

We specialize in service dog training, aggressive animals, and behavior disorders. Breeders of excellent quality German Shepherds with exquisite temperaments, high intelligence, stable drive and balanced structure for families across the US & Canada for the last 20 years. If you are looking for a family companion with good health, a working companion that is highly intelligent and a rearing of your pup for success, then MondouCu is the place for you. All pups are imprinted and tested throughout their rearing to insure a good match with each home. Check out our website, send me an email or give us a call. There is a difference in the MondouCu way.
