#### Trained German Shepherds Protection - Companion Dogs

Siegerhof German Shepherds Siegerhof has been breeding and training GERMAN BLOODLINE German Shepherds since 1978. We actively train and test our dogs in Schutzhund competitions and have determined the TYPE and TEMPERAMENT needed to enhance the companion/family/protection German Shepherd in America. We promise you, our training and puppy clients, to actively train and handle our German Shepherds in SCHUTZHUND/IPO competitions so we can continually assess our breeding program to assure that we breed German Shepherds that conform to World Union for the German Shepherd Dog (WUSV) International standards for sound temperament, health, hips and structure.
