### Finest quality European German Shepherds.

Beus Kennels Over 20 years experience we are not only breeders of high quality german Shepherds but also are professional dog trainer and licences practicing veterinarian. Our dogs are personally selected for our breeding program with an emphasis on sound health and temperament, ease of training, stunning good looks with substance, and rich pigmentation. They are only fed the highest quality diet available which consist of 50% high end grain free foods and 50% raw diet. We assure you are getting the highest quality puppy which comes microchipped, 26 month health warranty, minimum of 2 sets of vaccinations, properly dewormed, AKC register, a puppy care sheet, and a lifetime of breeder support. You can also visit us on facebook where we have many photos and videos for your entertainment.
