Separation anxiety can be an extremely challenging behavior issue for dogs and owners alike. This comprehensive guide includes all the information you need to help your dog, and to lower your own stress levels as well. You'll get plenty of tips, ideas, and step-by-step instructions; the interactive format will allow you to customize an effective rehabilitation plan for your individual dog. Topics include the role of management, nutrition, and exercise, whether pharmacological intervention could help, how to build canine confidence, creative management solutions, step-by-step behavior modification protocols, alternative therapies that can be invaluable, and how to put it all together in a customized plan. Also included are real-life stories from experts telling how they handled separation issues in their clients' dogs and their own dogs. Written in a down-to-earth, straightforward, and often humorous manner, this book will enable you to successfully teach your dog to feel comfortable being left alone.
