Pioneer German Shepherds

<https://www.pioneergermanshepherds.com/>

Our large German Shepherd breeding males have tested through the OFA....

Located in the orchards of south central Pennsylvania We are a large German Shepherd breeder focusing on quality large German Shepherds as family companions out of hip and health tested parents who occasionally have large German Shepherd puppies for sale. Current health testing on various giant German Shepherds may include OFA hip testing, Pennhip testing, OFA elbows, TLI testing for exocrine pancreatic insufficiency, degenerative myelopathy testing, AKC DNA profiled. Large German Shepherd puppies come with a 2 year genetic health guarantee that does not require that a pup be returned. Shipping may occasionally be available, along with possibly delivering or meeting up to 4-5 hours away for those that are some distance from us. We are oversized German Shepherd breeders in PA. Older large German Shepherd puppies or younger adult giant German Shepherds may occasionally be available. medianet_width="600"; medianet_height="120"; medianet_crid="137148174";

Focusing on healthy, purebred German Shepherd Dogs that are
OVERSIZED, old fashioned, sweet tempered, intelligent
& calm - the perfect family companion!
