Our German Shepherd Dogs have balanced temperments. Top West German bloodlines.

Minerd Ranch German Shepherds We have been raising German Shepherds for 30 years. We are a small family kennel in the Pacific Northwest Rochester, Washington. Our Dogs have balanced temperments. Top West German bloodlines. That produce wonderful family dogs. Our dogs are not just breeders. They are part of our family. Most of them were born here. They live in the country and work protecting our livestock and property. The parents have A.K.C. Registration. Orthopedic Foundation (OFA) Certified hips and elbows. Have produced sound healthy puppies each generation.
