German Shepherd Puppies

Alta-Tollhaus German Shepherds At Alta-Tollhaus German Shepherds, we breed first and foremost for temperament and health. Our goal is to produce clear-headed, social dogs that are incredibly beautiful and versatile. Our dogs are very intelligent; they are a thinking dog, eager to please and always loyal. The Alta-Tollhaus kennel name represents a team of people. Alta is the kennel name of Julie Richards and Dr. "Mos" Mostosky; Tollhaus is the kennel name of Tiffany and Brian McDonald. We are members in good standing of the Verein für Deutsche Schäferhunde and AKC
