Made of finest quality soft and strong leather with solid Brass buckles and rings that won't rust for long life

Click the Image Directly ^^^Above^^^ for More Information, Current Pricing and Availability.Adjustable fit and made with belt-style buckles.Available with solid brass hardwareMade of finest quality soft and strong leather with solid Brass buckles and rings that won't rust for long lifeOur agitation harness is expertly crafted to provide maximum strength and durabilityAvailable in black or brown Product DescriptionThe Victory has a Y-shaped breast plate that diverts force away from a dog's throat onto its shoulders. This dog harness's breast plate is made from heavy-duty leather, and is lined with thick felt for shock absorption. The straps are secured to the breast plate with stitching, brass rivets and leather loops. This harness was designed for agitation work, but is comfortable for everyday-use as well. Walk your dog with pride
