Panel Jump

Our Panel Jump conforms entirely to AKC/USDAA standards.

Click the Image Directly ^{^^^Above^^^} for More Information, Current Pricing and Availability. You will not be charged until after you review and complete your order. Our Panel Jump conforms entirely to AKC/USDAA standards. This Panel Jump wall consists of 6 individual panels, which are displaceable to help prevent injury. The Panel Jump Heights are adjustable in 2" increments from 4" up to 26" with 12 different settings. Featuring Side bars that are 37 1/2" tall, and panels that are 48" wide and 4" high. Fixed bottom bar that keeps the jump stabilized so it can be moved even with the panels still on. Product Description The challenge of the Panel Jump is that the dog has to clear what looks a solid wall to him. Panel Jumps are an Obstacle that is used in Agility and Obedience Trials. Our Panel Jump conforms to AKC and USDAA standards and features clearly engraved jump cup strips for quick height changes. Constructed of Vinyl and PVC, this is virtually weatherproof and never needs maintaining. Just take it out of the box, decorate the panels with the supplied vinyl tape and you are ready for your dog to start jumping. One of the best prices for a Panel Jump you'll find anywhere!
