Our Family believes that new puppies should be raised as 'part of the family' getting exposed to everyday life, including meeting and playing with other pets and livestock. My two boys are especially fond of raising & playing with all puppies daily. All of our Puppies are LOVED and Nurtured equally; Teaching them kindness, and confidence that they will need as they mature into a great dog. Our puppies make for the best Family and Protective companions. White Shepherds are TRUSTWORTHY for 'your' kids to be around, and also very protective over their family & home. White Shepherds are known to be Remarkable SERVICE dogs, because of their fantastic dispositions. All content of this listing belongs to the Owner in this Listing! Copyright © All Rights Reserved.
