AKC Registered German Shepherd Puppies for Sale!

Peters' Elite Shepherds AKC Registered German Shepherd Puppies for Sale! We are a small kennel located in Medina, Ohio where our dogs have 4 acres of property to run and play on, as well as a one acre pond to swim in. Swimming is great exercise! They not only get to cool off on those hot summer days, but we are constantly entertained by Lexie's fishing abilities...catch and release! Being a small kennel, having only 5 dogs allows me more time to spend with each dog, on obedience training, socialization and grooming. The time I spend bathing, cleaning ears and trimming nails is my time to pamper each of them. Training time and getting ready for our performance trials is quality time spent building that special bond that I have with each dog's individual personality. Our dogs have been active in Schutzhund, confirmation, agility, herding, and therapy work. All doing what they like best. I am very proud of their accomplishments. If you are interested in our puppies, please phone or email me. Our puppies are from Champion World Class German and American bloodlines. All our puppies are very well socialized from day one. My goal is to maintain all the qualities that promote the best this breed has to offer in health, soundness, with great temperament and longevity. It is an honor and a privilege to have access to some of the most beautiful and best representatives that this breed has to offer for my breeding program. All my dogs live healthy, happy lifestyles as my family pets and companions. They enjoy playing together, rolling in the grass and cooling off in the pond, running through the piles of fall leaves and chasing each other in the snow. They get to go to Dog Shows, Horse Shows, Art Fairs and Training Classes. I have successfully shown my German Import females in AKC Obedience, Agility, Tracking, and Canine Good Citizen trials and have finished my first American conformation show dog to her Championship.
