#### Carlson's Country German Shepherds.

Carlson's Country Corner If you want to have pick of a litter, you must pay in full when making your deposit. You may pay in advance and decide which litter you would like first pick or list a preference at any time. You will need to contact us first before making your pick of the litter payment. Be advised that Carlson's Country Shepherds reserves the right to take the pick of the litter on any litter regardless of pre-payment. This is to guarantee that we replenish our stock when necessary.
