Constructed of industrial strength nylon webbing with reinforced X-stitching, it provides you with the security of knowing this harness will stand up to daily use by even the strongest dogs.The training package includes:1. The Freedom No-Pull Harness -- the ultimate training tool, featuring a martingale loop on the back of the harness, to tighten slightly around your dog's chest and discourage pulling - and a connection in the front that allows you to redirect attention back to you.2. A Coordinating Training Leash which can connect to the front and back of the harness simultaneously, or to the back of the harness and a collar at the same time, for additional control.3. Training instruction brochure.4. Fitting instructions and Warranty Information.The harness has a contrasting loop (which can be seen in the photos) to make it easier to put on and take off.Sizing information: Use a soft tape measure (tailor's tape measure) or a piece of string or ribbon, mark the measurement around the chest and then measure the string from the end. Chest and neck measurements and weight recommendation:X-Small: Chest - 14"-20"; Neck - 10"-14"; Weight - 12-17 lbs.Small: Chest - 18"-24"; Neck - 10"-14"; Weight - 18-25 lbs.Medium (5/8" width): Chest - 22"-28"; Neck - 14"-18"; Weight - 25-40 lbs.Medium (1" width): Chest - 22"-28"; Neck - 14"-18"; Weight - 40-65 lbs.Large: Chest - 26"-32"; Neck - 16"-20"; Weight - 60-85 lbs.X-Large: Chest - 30"-38"; Neck - 20"-26"; Weight - 85-140 lbs.2X-Large: Chest - 36"-44"; Neck - 26"-34"; Weight - 140-250 lbs.
