E-Z Brook German Shepherds German Shepherds are quality dogs selectively bred for the discriminating buyer. They are from Working American and Import European bloodlines. All dogs are AKC registered and come with papers. Our dogs are my companions and live in the house. My priority in breeding dogs is their health and temperament. They make great companion dogs or performance/working dogs. Puppies come with a written health & hip guarantee. Puppies have their vaccinations and dewormings up to date. Health tests that I do on breeding stock are von Willebrands (vWD), eye CERF, OFA hips, elbows, cardiac, patella, DM, MDR1 and Temperament tests. They have degrees or certifications in obedience, herding, agility, temperament tests, schutzhund, search & rescue, and police work, as well as work as Therapy and Service dogs. Many of them have titles and work in multiple areas which shows their versatility, adaptability, and ease of learning.
