#### German Shepherds Breeders of German Shepherds.

We specialize in breeding Beautiful German Shepherd Dogs to the AKC breed standard with an emphasis on health, temperament and mental soundness, a dog that you can be truly proud to have as a member of the family. Every puppy or dog leaving here goes to his/her new home with AKC papers, sales contract, health certificate, vet records, 4 generation pedigree, color pictures of the parents along with copies of their OFA and other certifications. (You can also see each dog's pedigree from their pages complete with links to pictures of most dogs in each pedigree.) To make the transition for the puppy easier we also provide a supply of food, a collar, leash, & toy. To make the transition for the pup's new family easier we provide information on raising and training their new family member. I encourage the pup's new family to keep in touch and am here to provide guidance and help in raising & training if needed. All content of this listing belongs to the Owner in this Listing!
