All Island German Shepherd K-9 Services is an experienced K-9 handler.

All Island German Shepherd K-9 Services is located in Calverton on the North Shore of Long Island, NY. We are highly dedicated to the German Shepherd dog through Schutzhund and Obedience and maintain a breed with European bloodlines. All Island German Shepherd K-9 Services focuses its breeding efforts on developing excellent temperaments, superior intelligence, trainability, flat strait back, a big boned body with a massive head. And, above all else our dogs are bred for good health. Although they are naturally a very large breed, they are still extremely athletic with good hips and strong elbows. Our dogs are the latest generation in a long line of top notch K-9 companions. They are born to protect - they are loyal to a fault - and they are well suited for families with young children. When tradition, temperament, beauty and companionship DO make a difference, why settle for anything less? All content of this listing belongs to the Owner in this Listing!
