BUCKS QUALITY K 9 RANCH Here at the ranch we strive in breeding a Shepherd that is healthy, smart, with personality that is true to its breed without the problems and genetic fears that have haunted this breed. Our puppies are sold to the hard working people in the world that need and want a high quality Shepherd but cannot afford the high dollar amount. All puppies come with AKC registration papers, Health Guarantee, Worming and their first shots. They are ready to go home after a clear fecal. Deposits are taken after 2 weeks of age and a collar placed to mark your puppy sold. We offer Whites, Black/tan, Sable German Shepherds. Your puppy starts training on basic and house manners at 4 weeks of age continued and you can save basic training costs. New owners are started out in a great position on education of a new pup that sits, waits, comes to call, potty trained by the time you take them home at 8 weeks of age. You will be schooled before you depart with proper cues and how to invite your new member into their home. medianet_width='600'; medianet_height='250'; medianet_crid='880436545';
