We have been breeding German Shepherds for 30 years.

Wind Dancer Kennels We have been breeding German Shepherds for 30 years. We are a small, personalized kennel with 6 to 7 Shepherds. We keep it small so we can spend more individual time with each dog. The dogs and puppies we sell make excellent working dogs in SchH., obedience, agility, tracking, herding, therapy dogs or just plain companion or family dogs. We breed for health, sound temperament, intelligence, size and beauty. Many of our dogs are imported from West Germany and sometimes East Germany with SchH and other titles. Our dogs are good German stock with nice big heads and large boned. They are deep black and red or black and tan. Here at Wind Dancer Kennels when you buy a puppy from us, you are getting a quality German Shepherd to become a lifetime member for your and your family. All Wind Dancer pups are AKC Registered, have copies of the parent's pedigrees, are micro-chipped, vet checked, and have a written health guarantee. Each puppy sold comes with their own heal vaccination and De-worming record. Puppies leave at 8 weeks. They will have had their first puppy shot at 6 weeks. medianet_width="600"; medianet_height="120"; medianet_crid="137148174";
