### Jerland German Shepherd Kennels

<http://www.jerland.com>

The philosophy behind the breeding at Jerland Kennels has been to emphasize three things in our shepherds: conformation, intelligence, and temperament.

Jerland German Shepherd Kennels Over the past 30 years our dogs have been involved in everything from Search & Rescue, K-9 units (Minneapolis, Ramsey county and St. Paul), theatrical productions, movies, competitions (US and abroad) in both conformation and obedience, handicap assistance programs, but the vast majority as someone's family pet. Our dream and goal is to provide excellence to each new client. We sincerely believe that dog - man's best friend - can also be a source for new found friends of the human kind. If you are interested in obtaining a puppy from Jerland Kennel, we will work with you to match the individual to his new family. All content of this listing belongs to the Owner in this Listing!
