Member German Shepherd Dog Club of America

Pine Hill German Shepherd Dogs I am small hobby breeder located in Southeastern PA, *recipient of the AKC's prestigious Breeder of Merit designation*member, past VP/ Board member, Delaware Valley German Shepherd Dog Club*member, German Shepherd Dog Club of America* signer and past national chairperson of the Breeder's Code of Ethics for the German Shepherd Dog Club of America* supporter of the PA Federation of Dog Clubs. Puppies are guaranteed under the PA Puppy Lemon Law. At Pine Hill emphasis is placed on the development, promotion and enjoyment of a dog, sound of mind and body that is a pleasure to live with. The dogs are, first and foremost, much loved house dogs and companion animals who can be found doing a little job in either the conformation or performance rings most weekends. Litters are home raised with an emphasis on early socialization. Pedigrees are carefully and laboriously scrutinized and health checks for parents are completed before a litter is contemplated. Pine Hill puppies are always vet checked with written health certification prior to companion owners selecting their puppy.
