Product Description
Reflective Easy Walk Harness
All the benefits of our Easy Walk Harness, now with the added safety of extra nighttime visibility. The Easy Walk Harness gently discourages your dog from pulling while on a leash. Easy to fit and comfortable to wear, the Easy Walk Harness makes walking enjoyable for you and your dog. The front-chest leash attachment helps you steer your dog to the side and redirect his attention toward you. The chest strap rests across your dog's chest instead of putting pressure on the delicate throat, so there's no choking or gagging. Now you can take the lead and enjoy the freedom of stress-free walks.
PLEASE NOTE: We do not recommend using a bungee or retractable leash with the Easy Walk Harness. Features:
Highly reflective strips are woven into the nylon, making dogs visible up to 1,000 ft.
Discourages pulling on the leash
Perfect for teaching dogs to walk nicely on a leash
Easy to fit and use immediately
4 adjustment points provide maximum comfort and reliable fit
Martingale loop in chest piece prevents twisting
Quick-snap buckles on shoulder and belly straps for easy on and off
Belly strap is a complementary color, making it easy to tell which strap goes over the shoulders and which strap goes under the belly
Available in a variety of colors and size combinations
Product Description
Taking a walk should be a pleasant experience for everyone involved, and the PetSafe Reflective Easy Walk Harness is the best way to teach your pooch how to behave on a leash. The two-point harness goes on easily and helps put any pressure against your dog's chest, instead of their throat, allowing you to show your dog how to walk without pulling. The bright, reflective nylon is easy to see up to 1,000 yards at night and can be easily washed. Multiple sizes and colors are available, and each can be adjusted for a perfect, snug fit. Made of nylon with reflective strips. Quick snap buckle for easy on and off. 4 adjustment points provide comfort and reliable fit. Martingale loop in chest piece prevents twisting. Choose from the available color and size options.
