A Secure Fit. The Summit Backpack incorporates EzyDog's award-winning Chest Plate Harness as an anchor point for the saddle bags. The Chest Plate Harness is made of EVA, a formable material, which forms to the dog's chest for a secure and custom fit. The Chest Plate functions to keep the saddle bags securely in place. Comfort. The breathable mesh upper portion of the Summit conforms to your pup's back and allows air to flow through it so that your pup doesn't get overheated. The easy to use two buckle system makes fitting the pack a breeze, and the padding under the buckles keeps your pup comfy. Control and Ease. The backpack features a built-in Padded Carry Handle for quick control while on your pup or for easy transport when not in use. Attach a leash to the D-ring to walk your dog or go off-leash by conveniently attaching the leash to the Leash Caddy, allowing your pup to carry their own leash. Technical Safety. The main compartments feature Waterproof Zippers and Coated Ripstop Material to keep the items that are being stowed safe and dry. Reflective Trim is incorporated for visibility in low light situations. Convenience. The Quick Release Front Messenger Style Panel offers easy access to items you need ready access to, such as treats and pick up bags. Your pup can be easily identified with the ID Sleeve that is located in the easy access pouches. Now Go and Play. The EzyDog Summit Backpack is built for comfort, function and fun. For the best performance, fit the backpack snugly. Product Description. The Summit dog backpack is highly functional, comfortable and affordable.
