### Our puppies are bred for: Temperament, Quality, Show, Pet

A small family kennel with a big heart, based in North Somercotes Lincolnshire. We are Kennel Club accredited Breeders that only breed quality dogs to provide puppies so our customers have a quality puppy to be proud of. We are qualified vet trained Microchip implanters and can now save you money on your pets microchipping. This is a quick and permanent way of marking your pet so easy identification can be done by scanning your pet and checking a National database to re-unite you and your pet should they get lost. All Microchips are registered with PetLog a National/European Database. All pets that intend to travel abroad need a MicroChip and Passport.
