### Vom Grenzpolizei K9

<http://vomgrenzpolizeik9.com>

We breed for solid bone structure, beautiful pigmentation, instinctive high prey and retrieve drives, solid nerves, good social behavior and defense presentation.

Vom Grenzpolizei K9WORKING GERMAN SHEPHERDS \* EAST DDR PUPPIES \* CZECH PUPPIESDDR GERMAN SHEPHERD BREEDERS \* GERMAN SHEPHERD PUPPIES FOR SALE We're a small breeding kennel located in South Florida and we're in the process of expanding our breeding program. Our focus is to breed quality DDR Shepherds (East German - Deutsche Demokratische Republik), Czech Shepherds and West German Shepherds. Our dogs have outstanding pedigrees and come from champion bloodlines. Future breedings from our dogs will produce offspring with strong working bloodlines that bring out the exceptional qualities of their pedigree, which we expect in the overall character and temperament of our dogs. We breed for solid bone structure, beautiful pigmentation, instinctive high prey and retrieve drives, solid nerves, good social behavior and defense presentation. Our puppies are excellent candidates for police K9 units, search and rescue, agility and obedience competition, schutzhund competition, personal and family protection and above all else, a perfect loving companion.
