My goal is to produce the perfect German Shepherd Dog.

Von Buchmann German Shepherds Von Buchmann German Shepherds, aka Michigan German Shepherds, is not a kennel. We just love German Shepherd dogs and puppies, they are family members to us. I grew up with German Shepherd dogs and have loved them my entire life. My daughter started training German Shepherd Puppies and it has brought back all of my favorite memories of them. She and I both are now involved in Schutzhund/IPO, showing, and breeding shepherds, and I've fallen in love all over again. What a wonderful experience this has been, breeding and raising German Shepherd puppies. Watching the development of them as they grow with their new families, feedback has been amazing. Many families have come back for a second German Shepherd Puppy. We are hands on in all aspects of our German Shepherds. From birth to placement with unsurpassed puppy socialization and exposures Training and Handling our own dogs for Titling, Showing and Breed Surveys Even down time is exciting with our acreage to take leisurely runs, even going on family travels Up North All content of this listing belongs to the Owner in this Listing!
