Click the Image Directly ^{^^^Above^^^} for More Information, Current Pricing and Availability. You will not be charged until after you review and complete your order. Quiet, heavy-duty, motor-driven trimmer with stainless-steel blades. Equipped with stainless-steel blades for precision trimming. Ideal for fast touch-ups around face, ears, feet and tail. Shatter-proof housing fits comfortably in your hand. 4x4 blade drive for 25-percent more blade torque. Clipper comes equipped with an UltraEdge Blade. Works with all UltraEdge and CeramicEdge blades (sold separately) - the largest selection in the industry. Blade needs to be oiled regularly. Designed and manufactured for years of reliable use. Product Description: Color: Burgundy | Product Packaging: Standard Packaging. Andis Super 2-Speed Professional Animal Clipper (22360). The all-purpose clipper for a wide variety of animals! Whether you need to give your pet a quick grooming, or a full-coat trim, the Andis Super 2-Speed Clipper is the ideal choice. The powerful clipper is a compact tool equipped with a detachable size-10 UltraEdge blade and smooth-running sealed motor. It has two powerful speeds: 3400 and 4400 strokes per minute and is equipped with a 4x4 blade drive with 25% more blade torque than other clippers of its kind. Keep your pet comfortable while grooming. The Super 2-Speed Clipper's motor runs cool, requiring no air vents or fans to minimize maintenance. It runs so quiet that its operation pleases even the most sensitive animal. The removable drive cap makes for easy cleaning and it's virtually maintenance-free with no need for oiling or greasing of internal parts. Includes one UltraEdge #10 Blade. The included UltraEdge detachable blade cuts easily for fast and safe trimming. The ceramic blade stays up to 75% cooler than conventional steel blades and stays sharper longer. Detach the blade with ease for quick cleaning and changing. The Super 2-Speed Clipper works with all UltraEdge, CeramicEdge, and ShowEdge blades – the largest selection in the industry – and the Oster A-5 blades (all sold separately). Built for years of reliable use. The housing is ergonomic and break resistant. It can withstand harsh chemicals as the motor is sealed within the housing for a cool and quiet long life. It's also contoured to fit comfortably into your hand for long periods of comfy use. For the all-purpose clipper that requires virtually no maintenance, go for the Andis Super 2-Speed Clipper. Includes: Super 2-Speed Clipper, Size 10 UltraEdge blade, Animal-safe clipper oil, Extra blade drive.
