We Breed the Old Traditional Style Type German Shepherd.

Macklin Shepherds We Breed the Old Traditional Style Type German Shepherd of Days gone by where German Shepherds were nice and square. Here at Macklin we are helping to preserve the straight top line German Shepherd before they disappear and change forever. Specialising in Solid Black Longcoats and Black and Gold and some Sable with excellent temperaments to suit Family companions Obedience or just laying around. All breeding stock are Hip/Elbow xrayed. We also have some boys available for Stud All have excellent hip scores. Elbows scores 00 on all dogs. Also Semen from Long coats available to approved bitches now that the long coat can be shown. All puppies have a Microchip before leaving to go to their new homes. As of 2012 you can now show your long coat puppy if you wish. The ANKC has approved the long coat no longer classed as being a fault as it has been in the past. medianet_width='600'; medianet_height='120'; medianet_crid='486179124';
