Shiloh Shepherds are the ultimate family German Shepherd Dog

Shiloh Shepherds in Oklahoma Shiloh Shepherds are the ultimate family dog; they are great with children, have a well-balanced, protective instinct, and are very loving and loyal, making great therapy dog prospects, as well. At Riverwind Shilohs ISSR in Oklahoma, we breed large, intelligent Shiloh Shepherd dogs with stable temperaments, strong hips and good health. As Shiloh Shepherd breeders, we occasionally have puppies available for select homes. Before you take home one of our Shiloh Shepherd puppies, we have the puppy temperament tested and evaluated for conformation to the breed standard. All of our puppies come with a health guarantee and a lifetime of support. To ensure each puppy is given the love and care they need, we raise all of our puppies in our home. We socialize each puppy with our family, other Shilohs, and farm animals; rest assured you are receiving a well-adjusted, friendly companion. medianet_width='600'; medianet_height='120'; medianet_crid='486179124';
