**We are dedicated to producing top quality German Shepherds!**

ELHART K-9'S Located in Brandon, Manitoba Canada, we are breeders of quality German Shepherds with great temperaments, health, conformation, and the ability to be up for ANY task or challenge! Our German Shepherds are first and foremost part of our family. Exercise, training, and fun with our dogs is our top priority. Breeding is a very time consuming, emotional, and rewarding experience in which we do on a limited basis. Our goal is to produce healthy, balanced, bred to standard German Shepherds that can easily fit into family life and be enjoyable company to people and kids of all ages. In the past, we have bred CKC Registered, Purebred, German Shepherd family companions and show/breeding quality German Shepherd puppies. With each litter, we continually strive to achieve a higher level of breeding. After selectively choosing the dam and sire for our next litter, we will have available as always, great family companions and show/breeding prospects as well as some puppies with herding, schutzhund, tracking, rally, obedience abilities! This litter will produce sound and versatile German Shepherd puppies! We provide ongoing support to our families throughout the life of their Elhart German Shepherds and love to receive photos and updates.
