N?meck? ov?k je u m? psem ?slo jedna ji? od mali?ka. Nejen pro svou kr?su a u?lechtilost ale hlavn? pro povahov? vlastnosti.

Kennels Z GARGAMELLU German Shepherd dog at my number one since childhood. Not only for its beauty and nobility but for character traits. It is naturally intelligent dog with a balanced character. On the first of which is also trying to breed the health and character traits, while the other exterior NO. Of course, at first glance, I like everyone interested exterior nice individual, but he is weak in character immediately loses points with me. I think every breeder trying to breed NO such what he likes and is derived from that of his other work in farming. Everyone else is challenging whether the exterior or nature. Watching should but both minimal degree and not to favor only one or the other. That is why today also divided NO on the two variants and exterior work. Anyway, I imagine your NO such that they must like my eye and I have to be alone with him as happy in nature and outdoors. The first beginnings were around in my 10's when I was very interested in horses and dogs and I have to say that at that time it was just NO, which I wanted. My first dog was NO Marky without PP, black characters that I got from my friend. I started going to the training ground and in the process passed with him: ZVV1, ZVV2, ZPO1, OP1 and ZPS, three times we attended Youth Championship. In 1998, we even had the best obedience :-). Kennel of Gargamella was established in 2002 in my 22 years. Preceded the purchase Gilly silver mines, which, however, could not be used for breeding and then tequila Anrebri ... I was lucky enough, I found an amazing dog that has made not only by their results and offspring, but also their personalities in my heart. So it is my duty this bitch actually the founder imagine. N?meck? ov?k je u m? psem ?slo jedna ji? od mali?ka. Nejen pro svou kr?su a u?lechtilost ale hlavn? pro povahov? vlastnosti. Je to p?rozen? inteligentn? pes s vyrovnan?m charakterem. Na prvn?m m?st? o kter? se tak? v chovu sna??m je zdrav? a povahov? vlastnosti, na druh?m pak exteri?r NO. Samoz?ejm?, ?e na prvn? pohled m? stejn? jako ka?d?ho zaujme exteri?rov? kr?sn? jedinec, ale kdy? je slab? v povaze okam?it? u m? ztr?c? body. Mysl?m, ?e ka?d? chovatel se sna?? odchovat NO takov?ho jak? se mu l?b? a od toho se odv?j? jeho dal? p?sob?n? v chovu. Ka?d? je jinak n?ro?n? a? u? na exteri?r nebo povahu. Koukat by se m?lo ale na oboje alespo? v minim?ln? m??e a neup?ednost?ovat jen jedno nebo druh?. Proto se dnes tak? rozd?l?l NO na tzv. dv? varianty pracovn? a exteri?rovou. Ka?dop?dn? j? si sv?ho NO p?edstavuji takov?ho, ?e se m?mu oku mus? l?bit a mus?m b?t j? sama s n?m spokojen? jak v povaze tak v exteri?ru. Prvn? za??tky byli zhruba v m?ch 10 letech, kdy m? velmi zaj?mali kon? a psi a mus?m ??ci, ?e u? v t? dob? to byl pr?v? NO, kter?ho jsem cht?la. M?m prvn?m NO byl pes Marky bez PP, ?ern? se znaky kter?ho jsem dostala od sv? kamar?dky. Za?ala jsem chodit na cv??k a postupem ?asu s n?m slo?ila zkoušky: ZVV1, ZVV2, ZPO1, OP1 a ZPS, T?ikr?t jsme se z?astnily Mistrovstv? ?R ml?de?e. V roce 1998 jsme m?li dokonce nejlep?? poslu?nost :-). Chovatelsk? stanice z Gargamellu byla zalo?ena roku 2002 v m?ch 22 letech. P?edch?zela tomu koup? Gilly St??brn? doly, kter? v?ak nemohla b?t v chovu pou?ita a pot? Tequilly Anrebri... M?la jsem to ?t?st?, ?e jsem natrefila na ??asnou fenu, kter? se zapsala nejen sv?mi v?sledky a potomky, ale hlavn? svou osobnost? v m?m srdci. Tak?e je mou povinnost? tuto fenu vlastn? zakladatelku p?edstavit. Cel? obsah tohoto z?pisu n?le?? majiteli v tomto inzer?tu! Copyright ? V?echna pr?va vyhrazena.
