Hagen Dogit Training Pad Holder

Training pad holder for use with the dogit training pads

Click the Image Directly ^{^^^Above^^^} for More Information, Current Pricing and Availability. Training pad holder for use with the dogit training pads. Raised edge helps contain spills. Durable and easy to clean. Pad stays securely in place. Measures 23-1/2-inch length by 23-1/2-inch width. Product Description: The dogit training pad holder is for use with the dogit training pads. It features a solid plastic frame with raised edges to help contain spills. It's quick, easy and simple to use: just unlock the clips, lift up the top portion, position the pad in place, and replace and lock the top portion back in place. The dogit training pad holder is great for helping to protect your carpet and floor when you are potty training your new puppy.
