Beautiful German Shepherds Atlanta Georgia

Tye German Shepherds We are located in Canton which is about 20 miles north of Atlanta Georgia. Our family strives to provide only the finest German Shepherds.

We have deliberately selected larger and straighter back Shepherds to breed. The trend of roach-back German Shepherd dogs winning shows and being used for breeding is alarming to us. Compare pictures of the German Shepherds from 1920 and you will see how drastic the breed has changed. While our Sire and Dam are from show stock, our motivation is to preserve qualities found in the amazing original breed. Our dogs are selected for temperament, health, and strength. Our German Shepherds are the perfect family companion, home protector, service animal, guard dog, police K9 units, narcotics control and lifelong loyal friend.
