German Shepherd Protection - Work - Show

Rallhaus German Shepherds We provide beautiful German Shepherd dogs and puppies with excellent temperament for companionship, show, protection, sport and work. Many are trained for search and rescue, and Schutzhund and police work. Protection dogs are very social animals and great life companions. Fully trained, personal protection dogs fit well into any home. They have balanced temperament and bond to their families. Just having a trained protection dog in your home can be a great deterrent. Fully socialized trained personal protection dogs are good around young children and other pets. These personal protection dogs are exposed to many situations starting at an early age; they are comfortable with young children, other pets, or to a farming environment with horses and other livestock.
