vom Haus Ledda German Shepherd Dogs

<http://www.vomhausledda.com>

In 1974, our first German Shepherd Dog entered our lives and since that time we have found ourselves....our time....and our lives....consumed by this remarkable breed.

vom Haus Ledda German Shepherd Dogs Our goal is to breed sound German Shepherd Dogs that conform to the German Shepherd Dog Club of Germany (SV) standard. We strive to breed dogs that will be excellent companions, which can do search and rescue work, therapy work, schutzhund sport, agility, police work, etc..

First and foremost however, we want the dogs that we breed to be much loved lifetime companions for caring people. We've been working toward the above goals since 1981, showing our dogs in schutzhund sport competitions, show ring, AKC tracking and obedience and other canine sports and activities....and ultimately breeding 25 litters of German Shepherd puppies over the years.
