UPet Tent The Petgo UPet Tent is the evolution of Petego's famous Dog-Bag Tent. It's a portable pet house, car containment system, and outdoor life tent. This ultra light shelter includes a messenger style bag for easy carrying, claw-proof mesh windows, and a front porch so your pet will always feel at home wherever you go together. Take It Everywhere The UPet tent is perfect for wherever you and your dog travel. Take it with you to the beach, park, camping, or any overnight trip. It fits in the back of SUVs so your dog can stay contained on trips. You can even use it around the house. The kit includes a rain cover and travel bag for when the tent is not in use. Clever Construction The extremely light UPet features an umbrella mechanism that pops it up in seconds and can be collapsed with the same speed. There's no need to put anything together or worry about losing parts. The claw-proof, see-through mesh windows provide ventilation and visibility.?
