I have a passion for breeding German Shepherds.

MorrisShepherdsFarm - German Shepherds This is Gypsy, She will be upcoming Breeder in 2013, She has a wonderful temperment and a very loving soul. I have a passion for breeding German Shepherds, Ive been breeding them for 23 years. I only breed for Sound Temperment and Health and Beauty. I stand behind every dog I own. Only breed my Females once a year. I have 2 females and 2 males in my breeding program. My dogs are apart of my family and treated as such. Everyone of my dogs run freely in a large yard and get alot of attention and played with daily. When you purchase a puppy from me , I will be available 24/7 to help you with any concerns you might have about your little joy.
