Temperament, health and structure were as important as winning.

Kris-T Shepherds Oregon Kris-T Shepherds is located in the beautiful Willamette Valley near Salem, Oregon. I founded KRIS-T GERMAN SHEPHERDS in 1969 with the purchase of my first registered puppy. I became more knowledgeable about which bloodlines I wanted to use to set my foundation. Temperament, health and structure were as important as winning. You can't have one without the other. Kris-T German Shepherds is Chris Carter. I've shared my home in mid-Willamette Valley, Oregon with my German Shepherds since 1969. I breed every few years, show in both conformation, obedience, and have just began working my dogs in herding, something I've wanted to do since I began owning a German Shepherd. There's not much about dogs that doesn't interest me -- genetics, behavior, health, psychology, training, breeding, history -- and especially the relationships between people and dogs and the good that they do for each other. In other words, pets. I have over 40 years of experience. I've just recently retired and I'm now able to stay home and devote most of my time to the dogs.
