Arcturas German Shepherds

<http://arcturusgsd.com>

Our focus is on producing an attractive, all-around companion dog, just as Captain Stephanitz's intended when he founded the breed.

Arcturas German Shepherds We are a small hobby German Shepherd kennel in southeastern Pennsylvania, about an hour outside of Philadelphia. We believe that Captain Max Von Stephanitz, the founder of the German Shepherd breed, had the right idea way back in the 1890s. His founding principles were that German Shepherds should be intelligent, trustworthy, sound in body and mind, protective when necessary, and loyal to their family. Our breeding program includes rigorous health checks. All of our dogs have OFA-certified hips. All content of this listing belongs to the Owner in this Listing! Copyright © All Rights Reserved.
