Greater Houston German Shepherd Dog Rescue (GHGSDR)

<http://www.ghgsdr.org/>

GHGSDR Shepherds mostly come from animal shelters where they are awaiting euthanasia.

Greater Houston German Shepherd Dog Rescue (GHGSDR) We are a 501(c)(3) exempt volunteer organization dedicated to saving as many German Shepherds in the Greater Houston, Texas area as humanly possible --based on current resources of available foster homes, the rate at which we can find suitably matched adoptive homes, and, of course, financial resources for veterinary care. Check out our available dogs then apply to adopt. Are you ready to foster? click here for more details. GHGSDR Shepherds mostly come from animal shelters where they are awaiting euthanasia. All of these Shepherd Dogs need loving, forever homes and families to call their own. We have several GSDs available for adoption and we regularly take more homeless German Shepherds under our wings and into our Rescue Program, increasing the numbers of German Shepherds available for adoption. Whenever we can, we also work with other dog rescue groups in Texas and nationwide to help ensure the safety and security of these wonderful animals. Houston, Have You Heard? German Shepherd Dogs are tremendously popular, and Houston is a huge city...these combined facts create a problem for area GSDs as many are surrendered to local area shelters or go without adequate housing and care. Thus, German Shepherd Rescue and adoptions are more urgently needed in Houston, Texas. We are very pleased to announce that Rescue and Adoption efforts continue for area Shepherds! This dispels the myth ... Yes, there truly is a dog rescue organization in Houston for German Shepherd Dogs -- and you've found us helping these Great GSDs currently in need of our care. Greater Houston German Shepherd Dog Rescue is an active, established rescue, and our volunteers are very dedicated to enhancing the possibilities for brighter futures and new beginnings -- one GSD at a time! We Need Homes!
