We pride ourselves in 32 years producing healthy, stable German Shepherds!

von der Polizei We strive to produce sound dogs that represent the best of the German Shepherd breed. I would classify the litters as high energy, stable, bright, and social. Our lines are working lines and they need an active home to be happy and pleasant companions. This means, at a minimum, structured obedience training and daily aerobic exercise sessions. Usually our clients are previous German Shepherd owners with an understanding of the breed and an ability to handle the physical demands of a large strong dog. Also, we prefer homes with large fenced yards. Usually, we are reluctant to place a puppy with infants or toddlers however, we will consider the placement if other factors override our concerns. At von der Polizei we breed strictly European working line German Shepherds that produce physically and mentally sound animals, capable of various types of work. We have dogs on police departments, in search and rescue, schutzhund, agility, obedience and just plain companions. We are located in Ijamsville Maryland. Our pups are sold only to select homes and we normally have a reservation list. All content of this listing belongs to the Owner in this Listing! Copyright © All Rights Reserved.
