Our focus is on breeding high quality German Shepherd Dogs.

WhirlingThunder German Shepherds Elite German Shepherds I Think the German Shepherd is an amazing dog. The more I learn of their loyalty and many abilities, the more respect I have for the breed. This respect, teamed with my love for the animals, motivates me to achieve the highest quality in every facet of the business - from breeding to training. In Germany, I enjoyed watching both conformation and working line dogs practicing their Schutzhund work at the same club. They are both amazing dogs - each performing in accordance to their breeding.
