Click the Image Directly <sup>^^^Above^^^</sup> for More Information, Current Pricing and Availability. The German Shepherd Big Book was created to help you figure out if a German Shepherd is the right breed for you. This book will familiarize you with the German Shepherd's background, main characteristics, dominant traits, and health concerns. The author kicks off the book with a fascinating history of the breed. The second chapter examines the time, money, energy, and lifestyle required to meet the needs of a German Shepherd. To assist in selecting your first German Shepherd, the author compares and contrasts American versus German bloodlines; male versus female; a puppy versus an adult dog; various coat types and colors; and breeder versus rescue adoption. Two must-read chapters concern how to select a breeder and common health problems experienced by the breed. Don't buy a German Shepherd without reading those chapters! Fans of the breed will enjoy Chapter Ten's fun facts, and the last two chapters burst with valuable factual information, terms, and resources you'll need to know about if you do decide to adopt a German Shepherd. The German Shepherd Big Book presents the information you need to determine if the German Shepherd is the best dog for you. Grab your copy today.
