Dogzymes Organic Norwegian Kelp for Pets, 6-Pound

Enhances immune function and helps with healthy skin and coat

Click the Image Directly ^{^^^Above^^^} for More Information, Current Pricing and Availability. You will not be charged until after you review and complete your order. Enhances immune function and helps with healthy skin and coat. It is also a rich source of iodine which aids in gland function, especially the thyroid gland. Kelp helps to provide those trace minerals that are no longer available in our environment. Aids in healing and better coat pigmentation. Promotes heart health, aids in digestion and can increase appetite. Product Description: Our Norwegian Kelp is provided by Nature's Farmacy and is certified organic. It is harvested every three years under strict government guidelines - there is no better kelp on earth.
