"Dogs for All Walks of Life"

Hollybrook Kennel Located outside Millville in the southern reaches of the Pinelands Reserve in New Jersey, we are a small kennel dedicated to producing top quality dogs. We have raised White Shepherds for over 25 years. Our dogs are home-raised as an important part of our family. The kids moved out, and the dogs got their room! We strive for excellent structure, temperament and health. We produce a limited number of puppies; our goal is Quality NOT Quantity. The dogs at Hollybrook are not our business; they are a labor of love. Our dogs are trained and exhibited in conformation, obedience, and herding -- but they are first and foremost loving companions. The breeding stock at Hollybrook is evaluated by OFA and PennHip for Hip and Elbow Dysplasia, and all our dogs are shown in various venues to demonstrate their soundness of body and mind.
